

SHOEBOX ARCHAEOLOGY

Dig it! Become an Archaeologist for a couple of hours!

This workshop examines the role of an Archaeologist.

Participants can conduct their very own dig – in a shoebox!

Study area:

Archaeology

Duration:

2 hours

Activities:

- Participants will view a PowerPoint presentation incorporating interesting and famous archaeological sites around the world.
- Through shoebox excavation, participants will conduct their very own excavation and discover artefacts from a bygone era.
- Reminiscence and memory will be evoked, or delight in discovering some strange new objects.

Cost:

\$300 flat rate
